Instructions: print out 2 copies of each page on card stock and cut out each card.

Match Game - Shuffle cards and arrange face down. Take turns finding matches. When a match is found that player gets to take another turn. The player with the most matches wins.

Stone Cold Game - Shuffle cards (using only 1 stone cold card) and pass three cards to every player. Each player takes their turn asking another player for a card in hopes of finding a match. The game continues until one player is left with the stone cold card.

Story Game - Shuffle cards and take turns picking a card and creating a story about the emotion of the card selected.
